LOGAN, CACHE COUNTY, UTAH SATURDAY SEPTEMBER 11 1915

THIRTEENTH YEAR

## RAILROADS GIVING RATES TO LOGAN FOR THE ANNUAL CACHE COUNTY FAIR WEEK

Space is Gradually Being Engaged by Exhibitors; Relief Society Workers to Attend in a Body Tuesday, September 21, Which is Merchants' Day

The officers of the Fair association expect more and better exhibits at the fair this year than ever before. Many inquiries concerning space, stalls, etc., are being made every day. All exhibits should be at the fair grounds on Monday, September 20, so that all may be in readiness for the opening day Tuesday, September 21.

Merchants Day will be Tuesday, September 21. A circular letter will be sent to every merchant in the county, asking him to close his place of business so his employees may attend the fair. An excellent program will be arranged so that the first day will be as good if not better than the other days. Relief Society Day will also be on Merchants' Day, September 21, and it is expected that a large number from these organizations will attend.

School Day will be Wednesday, September 22. All school children under fourteen years of age will be admitted for ten cents and all students upon presentation of their student body tickets will be admitted for twenty-five cents. Special features will take place to amuse the children. At 10 a. m. on this day the judging in all the departments will commence.

County Day will be Thursday, September 23. At 1:30 p. m. the grand live stock parade of all the winners will take place around the race track.

Assistant General Manager Robert Anderson, of the O. L. & I. R. Co., has advised that a rate of two cents per mile round trip during the fair will be granted. These rates in connection with those of the O. S. L. will furnish very reasonable transportation and there will be no excuse for one remaining from the fair.

### Special Prizes

The Fair Association has offered over \$1500 in cash prizes for exhibits as listed in the premium list and as a special inducement the following special prizes have been offered by the merchants and business men of the valley:

A cash prize of \$25 will be given by the Utah Condensed Milk Company for the cow producing the most butterfat during two days of the fair.

A cash prize of \$25 will be given by the Borden Condensed Milk Company, for the cow producing the largest quantity of milk during two days of the fair.

The above contest will be conducted by officials of the Utah Agricultural College.

The Amalgamated Sugar Co., will give a cash prize of \$15 for the best five acre patch of beets and \$10 for the best one acre patch of beets. Samples of said patches must be on exhibition at the fair. The judging of the beets will be done according to the following score:

Sugar 25 per cent; sugar per acre 20 per cent; purity 20 per cent; size and shape 15 per cent; tonnage 20 per cent.

## DR. C. E. DAVIS OF COLUMBIA COMES TO U.A.C.

The teaching force of the chemistry department of the U. A. C. has been materially strengthened by the addition of Dr. Clark Edwin Davis.

Dr. Davis comes especially well recommended. He was graduated from high school at Burnips, Mich., in 1904. He entered the Michigan State Normal College in the fall of 1905, from which he received a life certificate in 1908, the degree of bachelor of pedagogics in 1909, and the degree of bachelor of arts in 1912. During the years 1907 to 1912 he was instructor in chemistry at that school.

Since the summer of 1912, he has been doing graduate work at Columbia University. There he took his degree of master of arts in 1913, held the Goldschmidt Fellowship in chemistry during the year 1913-1914 and was granted the degree of doctor of philosophy in 1915. As a partial fulfillment of the requirements for his doctors degree he submitted a dissertation on The Surface Tension of Sulphuric Acid-water mixtures, which received widespread recognition and has since been published in circular form.

Dr. C. W. Porter, Dr. C. E. Davis, and Asst. Prof. Hirst, aided by several assistants and the added facilities of the new chemistry building which is fast being completed and equipped with the most modern apparatus and conveniences, gives to the department exceptional power and opportunity for increased service to the many students who come to the Agricultural College for instruction.

J. C. Allen, prominent farmer of Cove, was in Logan this week with samples of his dry farm wheat and oats which he left at the Agricultural College experiment station where they will be used for demonstration purposes.

President Widtsoe, Dr. F. S. Harris, Dr. E. G. Peterson and Mr. Windsor leave today for California to attend the 22d International Irrigation Congress which convenes on the 13th inst.

## NEW JERSEY ACADEMY WILL OPEN SEPT. 15

Miss Virginia Bradley Will Be in Charge of the Music Department

New Jersey Academy will open on next Wednesday, September 15, at 9 o'clock. Preparations for the year's work are being rapidly completed. The Academy offers courses covering the work of the sixth grade through the high school with Bible study and physical training for all and elective courses in elocution, domestic science and art, and music. It is open to girls desiring to attend and all town students are asked to register at the principal's office in the Academy building on Tuesday morning.

The music department receives as special students any who wish to study with the Academy instructor. Miss Louise Murray, who has been at the school for two years will be in New York City this winter, and Miss Virginia Bradley of Danville, Kentucky will take her place as music teacher.

Miss Faith Haines, the acting principal, succeeds Miss Grace McClain of last year's faculty, who has gone to the Salt Lake City high school, as instructor in mathematics. Miss Ruth Roach will be in a mission school in New Mexico and Miss Aurel Luce, now Mrs. Paul Jones, will soon be at home to her friends at Hermiston, Oregon. Miss Beale Caot and Miss Zella Mitchell return to their former positions. Two new instructors, who have arrived this week, are Miss S. A. Elizabeth Foecker of Keokuk, Iowa, who comes to take charge of the sixth and seventh grades and physical training, and Miss Marion Beebe from Fort Collins, Colorado instructor in the department of domestic science and art.
